3. Orders and Payments

All prices are listed in **U.S. Dollars (USD)**. Orders are securely processed via **Stripe** or approved payment providers. We reserve the right to refuse or cancel any order suspected of fraud or mispricing.

4. Shipping and Delivery

Products are shipped from **California, USA**. Delivery times vary by destination. Section Nine LLC is not liable for carrier delays, customs issues, or lost packages once tracking shows *“delivered.”*

5. Returns and Refunds

B2C (Consumer) Returns – 14-Day Cooling-Off

You may return most items within 14 days of delivery for a refund or replacement if they are in original, unused, and resalable condition, with all packaging and accessories.

Fees for cooling-off returns

For returns under this 14-day cooling-off period that are **not** due to damage, defect, or our error:

- We refund the **item price only**.
- Original shipping charges are **non-refundable**.
- A **\$5 return shipping fee** and a **\$2 re-packaging/handling fee** (\$7 total) will be deducted from your refund.

Packaging requirement

To qualify for a cooling-off refund, items must be returned in their **original packaging**, including all inserts, labels, and accessories.

How to return

- Contact us within the 14-day window to request a return authorization.
- Ship the item back using a trackable method.
- Refunds are issued within **3–5 business days** after we receive and inspect the item, subject to bank processing times.

B2B (Business/Wholesale) – No Refund, Sample Recommended

- All B2B sales are **final**. We do not offer refunds, returns, or exchanges for B2B orders except as required by law or as explicitly stated in a written agreement.
- Before placing a B2B order, we strongly recommend purchasing a **sample unit** to verify fit, function, and quality. No shipping and repackaging fee withheld, for all other terms samples are treated as B2C purchases.

Damaged, Defective, or Incorrect Items (B2C & B2B)

What qualifies

- Item arrived **physically damaged**
- Item is **defective** (does not function as described)
- You received the **wrong item**

Notification and proof

- Notify us **as soon as possible and no later than 48 hours after delivery** for visible damage, and within **7 days** for defects discovered on use.
- Provide:
 - Order number
 - Clear **photos** showing the issue
 - A short description of what happened
 - If available, a brief **video** (including unboxing video if you recorded one)

We strongly encourage customers to **record an unboxing video** for high-value or fragile items, but we will not automatically deny a valid claim solely because no video was recorded.

What we do

For qualifying cases, we will, at our option:

- Send a **replacement** at no extra cost, or
- Issue a **full refund** of the item price (and applicable taxes)

We cover **reasonable return shipping costs** and will provide a prepaid return label or equivalent instructions.

No fees are charged for returns due to damage, defect, or our error.

Non-Returnable Items

Unless otherwise required by law, the following are generally **non-returnable** unless defective or incorrect:

- Items that have been **used, altered, or installed**
- Items missing original packaging, labels, or accessories (for cooling-off returns)
- Customized or personalized products
- Clearance or “as-is” items marked as non-returnable at purchase
